

# HOW TO ASSEMBLE YOUR ROLLER BANNER

Size: 2200mm (h) x 850mm (w)

## ASSEMBLY INSTRUCTIONS

1. Rotate the stand out from under the bottom of the unit.
2. Assemble the pole by slotting the tubes in to each other.
3. Insert the pole in to the base of the unit.
4. SLOWLY pull the graphic out the unit by the metal header strip.
6. Hook the plastic hole on the header strip over the pole to hold in place.

## DISMANTLING INSTRUCTIONS

When dismantling the banner, un-hook the pole from the top of the header strip and SLOWLY guide the graphic back in to the unit. Keep the graphic straight to avoid damaging the sides and DO NOT LET GO OF THE GRAPHIC.

Remove the pole from the base unit and fold away. Pack all parts carefully in the carry case.
